## Your Community Needs You

Our community can only continue to be such a vibrant and lively place to live by having its residents volunteer to serve. Fresh eyes are always needed to help steer the direction of the Glen into the future. And now more than ever before, volunteers are needed for the Board, Court Reps, the Pool Committee and the Landscape Committee.

Board members serve three-year terms. The job requires a monthly formal Board meeting that last two hours at the Fairlington Community Center. Between meetings, Board members interact with Glen residents, co-owners, and our property manager. Day-to-day details of our community are handled by Cardinal Management and our onsite maintenance staff. Board members must be co-owners and candidates should possess a community perspective and the energy necessary to get the job done. It may help to have some familiarity with Glen fiscal and policy matters, and it helps to have an open mind, a penchant for conflict resolution, and a willingness to take responsibility for decisions. Current and former Board members will tell you that serving on the Board can be one of the most rewarding ways you'll volunteer your time.

Co-owners and renters may also consider serving on a committee, such as pool or landscape, or as a Court Rep. Committees in the Glen are always looking for new volunteers.

Fairlington Glen is an excellent neighborhood with residents of all ages and backgrounds. Prior volunteers have assured us today that we continue to live in a beautiful, well-maintained community. You've invested in the Glen by living here, so why not take the next step and become a volunteer. You may just meet your neighbors and make new friends. Plus, you'll be helping to protect your property values and the quality of life here. Every resident leads a busy life, but every resident needs to take a turn at volunteering.

Volunteers are the lifeblood of any community. Become a volunteer - your community needs you!

# Pool Party / New Pool Committee Chair

Thanks to the Fairlington Glen Pool Committee for another terrific pool party held on Saturday, June 3. Committee volunteers cooked burgers and hot dogs for residents and their families, and a good time was had by all - as evidenced in the pics below.

Please join us in welcoming Monica Wiedemann as our new pool committee chair. She was officially appointed by the Board on June 11; however, Monica and her crew were hard at work to plan and host the party. Monica replaces Dennis Farrell, who has received his next assignment from the U.S. Navy and has moved away from the Glen. The Board and the community thank Dennis for his service to the committee for the past two years and wishes him safety and wellness on the seas.

Residents fill their plates with hamburgers and the fixins.

Neighbors and friends get a chance to visit under the canopy while enjoying the pool party on June 3.

---

The kids don't need a pool party to have fun in the Glen pool, but the food & drink merely adds to the festivities.

# Important Glen Pool Info

**RECREATION PASSES** - You MUST have a Fairlington Glen recreation pass to enter the pool. Please remember to bring your pass each time you visit the pool AND sign in at the entrance table. The grace period ends July 5, 2017. We are enforcing this rule especially diligently this year because we have heard reports of substantial numbers of non-residents using our beautiful pool without authorization.

If you are new to the community and need to obtain a recreation pass, fill out and submit the recreation pass form on our website (or found on page 6 of this newsletter). The initial pass is FREE. Those needing a replacement pass should also fill out and submit the form along with a \$5 replacement fee.

Glen recreation passes will be issued and delivered to your home by our volunteer. Please complete & sign the form and email it to [glenpoolpass@gmail.com](mailto:glenpoolpass@gmail.com). It may take up to two weeks for your pass to be processed and delivered.

Remember, the Glen pool is for Glen residents and their guests only.

**POOL HOURS** - See the complete list of 2017 pool hours on page 5 of this newsletter.

**FOOD** - If you're going to eat while you're at the pool, please eat ONLY in one of the two authorized food areas. Failure to do so could cost the Glen our operating permit with Arlington County. Without the County's permit, the pool will be forced to close. And please remember that glass containers of any type are NOT allowed in the pool enclosure. Thanks for your attention to this important matter.

**SUMMER BEER/WINE SOCIALS** - Here's an opportunity to hang out with neighbors and make new friends in a casual environment. Our summer beer/wine socials are held every other Thursday (see schedule below), just outside the pool entrance starting at 7:30pm. Bring a beverage to share - and a simple snack too, when possible. If nobody is there, swing by again a bit later as people do come and go. Organizer Mary Hanson will be on travel a lot this summer, so if you are willing to "host" (which means being there by 7:30pm) a night, please email [mary\\_hanson@comcast.net](mailto:mary_hanson@comcast.net).

July 13 - Beer

July 27 - Sparkling wine

August 10 - White wine

August 24 - Beer

September 7 - Rosé

**ADULT SWIM HOURS** - Tuesday and Friday mornings in July and August (and one day in September) will be adult swim time during the hours from 8:00 to 10:00am. This is always a favorite of those who like to do some early-morning lap lane swimming. Again, these hours are for adults only. There will be no kids permitted until the pool opens for normal hours beginning at 10:00am.

**ENFORCEMENT** - Children and adults are expected to show the pool staff proper respect and cooperation at all times. Parents are requested to instruct their children to observe all rules, obey instructions of the pool manager and other pool employees, and not to enter the pool enclosure by climbing the pool fence or using the maintenance gate at any time. The pool staff shall take such action as deemed necessary for the safe and orderly operation of the pool facilities. The pool manager (or his designees, the lifeguards) shall have the authority to suspend pool privileges for a period of one day. For good and sufficient cause, the manager may recommend to the pool committee suspensions for periods longer than one day.

**GUESTS** - Control of guest usage of a private pool prevents overcrowding. The following rules are designed for this purpose:

(1) Each household will be permitted to bring up to four guests, who must be accompanied by a Glen resident 16 years of age or older with a current recreation pass. Residents aged 8-15 may bring one guest (8 years or older) to the pool unaccompanied by an adult at the discretion of the lifeguard. The guest, upon request, must pass a lifeguard-conducted swim test. The guest(s) must sign the register.

(2) House guests, i.e. those staying with a Fairlington Glen resident for a longer period of time than a day or two, may be admitted to the pool on presentation of the host's recreation pass if not accompanied by the host. The house guest(s) should be introduced to the pool staff by the resident. House guests between the ages of 8 and 16 years of age may use the pool unescorted at the discretion of the pool manager, upon presentation of the host's recreation pass. House guests under 8 years of age must be accompanied at all times by a person 16 years of age or older, who shall be responsible for and supervise them.

(3) The pool manager or lifeguards may, at his or their discretion, restrict or suspend guest privileges to prevent overcrowding.

(4) Guests are subject to the same rules and regulations as residents.

(5) All residents shall sign in and out on a daily log with the names of any guests and times of entry and exit noted.

**SAFETY** - Running, "speed walking," pushing, acrobatics, wrestling, or causing undue disturbances in or about the pool are not allowed. Lifeguard discretion and direction regarding "games" in the pool prevails.

Smoking will NOT be permitted at the pool, in the restrooms, or anywhere inside the gates of the facility.

Use of the baby pool shall be limited to children through age 6, even during hourly breaks. Supervision of children in the baby pool shall not be the responsibility of the lifeguards, but shall be maintained by a responsible person 16 years of age or older accompanying them. Children shall not be left unattended.

***For more detailed information about the pool, pool rules, and private pool parties, see pages 45-48 of the Glen Handbook***

# 2017 RECREATION PASSES

Thinking about using our beautiful and recently resurfaced basketball and tennis courts? Dreaming of summer fun at the Fairlington Glen pool? Then get a Glen recreation pass and get ready for fun! You don't need to reapply for a pass each year UNLESS you have lost a pass (in which case there is a \$5 charge for each replacement pass—checks payable to FAIR-LINGTON GLEN) or if a family member has turned 12 in the last year. You can choose to get a family pass, which can be used by all family members, or have passes issued in individual names (for those ages 12 and over).

To obtain a recreation pass, please print this page, fill it out, sign it, and email it to our rec pass volunteer at [glenpoolpass@gmail.com](mailto:glenpoolpass@gmail.com). It may take up to two weeks for the processing of applications. Your pass will be delivered to your home.

Passes are delivered in a plain white envelope. The code for the tennis court is on the bottom right of the pass. These laminated passes are good for as long as you live in the Glen. If you are a co-owner and choose to move out and rent your home, you can still come to the pool. We'll also provide your renters a pass if requested, but that doesn't affect your ability as a co-owner to enjoy our amenities, too.

# Fire Captain To Address Glen Board

Captain Thomas Shamblin of the Arlington County Fire Department has been invited to speak to the Fairlington Glen Board of Directors and residents regarding the usage of fire pits within Glen patio areas.

Captain Shamblin will be joined by one of the County's fire marshals on Tuesday, July 11 at 6:45pm at the Fairlington Community Center.

Fire pits have become popular with residents throughout Fairlington, especially during cooler nights. Because our patios are surrounded by wooden fencing, these fires pose real dangers. You're invited to come learn more.

## New Court Rep Welcomed

Residents of Court 3 have a new Court Rep. Please join us in welcoming our newest volunteer, Ellen O'Connor. Ellen's contact information can be found on our contact list on page 13 of this newsletter.

Ellen replaces JoAnn Haveland who had to give up the role because she's moving. Best wishes to JoAnn and thanks for a job well done!

We are still looking for new Court Reps in Courts 1 and 8. If you are a co-owner or renter in these courts, please contact Court Rep Chair Carol Goodloe at [cagoodloe@comcast.net](mailto:cagoodloe@comcast.net) to learn more about volunteering to serve the residents of these courts.

***Reminder that the Court Representatives Group (CRG) will have its next quarterly meeting on Monday, July 24 at 7:00pm at the Fairlington Community Center.***

## Painting To Begin In Courts 1-4

In March, the Board approved a contract with Kolas Contracting, Inc. of Alexandria in the amount of \$91,000 for exterior painting in Courts 1-4. That work is scheduled to get underway this month, so residents will soon see the painting crews setting up to paint.

The exteriors of our buildings are painted every four years, with four courts done per year on a rotating basis. The future schedule is: Courts 5-8 (2018), Courts 9-12 (2019), and Courts 13-16 (2020).

A separate contractor will come through in early 2018 to replace rotted or damaged wood on the front and rear of the buildings, unless the replacement is a co-owner responsibility, as with windows and their supporting structures.

## Cardinal Mgmt. Operating On Summer Hours

Just a reminder that Cardinal Management Group, Inc. maintains summer hours from Memorial Day through Labor Day. Their office is open Monday-Thursday from 8:00am to 5:30pm and Fridays from 8:00am to noon during the summer months.

Cardinal Management Group, our property management company, will be closed on July 4 and Labor Day.

# Common Areas Are Not Storage Areas

Please remember that personal household items like toys, bikes, strollers, wagons, sporting equipment, lawn tools, and lawn furniture should not be stored or even left overnight on the common areas in front of or near our buildings or on front stoops. Instead, please stores these items in your home or patio area.

Article IV, Section 4 of our Bylaws deals with the use of General Common Elements. It states “A co-owner shall not place or cause to be placed in the general common elements any objects or any kind which tend to obstruct the reasonable uses of the General Common Elements by any other co-owner.”

Article VI, Section 6(b) of our Bylaws states that “no bicycles, scooters, baby carriages, or similar vehicles or toys or other personal articles shall be allowed to stand in any of the common elements, except the common elements designated for these vehicles or articles.”

While it’s tempting to leave personal items out, it’s not appreciated nor allowed. Please do your part to maintain our beautiful landscape by keeping personal items inside.

## Streets Have Been Repaved

During June, Arlington County milled and paved portions of S. Stafford Street, S. 36th Street, and S. Utah Street in the Glen. Crews are in the process of completing the striping on these newly-paved streets.

Before the street milling began, all of the parked cars were cleared making our neighborhood look like a ghost town.

Crews from Arlington County work to mill this section of S. Stafford Street near Court 3. Once milling was completed, the asphalt paving crews moved in.

# Landscaping In Common Areas

## **Modification Of Front And Side Beds (Blanket Variance)**

Co-owners may plant annual or perennial plants (excluding vegetables, fruits, mint, bamboo, and ivy) within common original front or side beds, provided the borders of the bed are not extended. However, the Board reserves the right to request the removal of any plants that are not maintained according to the landscape contractor's standards. In addition, if the ground immediately adjacent to the rear of a unit's fence has a significant slope, a ground cover may be planted in this area in order to reduce erosion so long as the ground cover remains clear of the fence.

Mulch must correspond in both color and texture to that used by the Glen's landscape contractor. Non-plant additions to front and side beds must be inconspicuous.

## **Other Plantings**

Any owner wishing to plant flowers, trees, or shrubs other than those mentioned above inside or outside of existing beds MUST submit a variance request. Once a variance has been granted, it is the co-owner's responsibility to maintain the plantings and bed (e.g. pruning, weeding). If the variance is not properly maintained, the Board may revoke the variance and have the bed returned to its original state at the co-owner's expense. Common area trees are maintained by the Glen. Please do not try to prune them yourself. And please help protect them by not allowing children to use them for recreation by climbing on them or attaching swings to them.

## **Containers/Hanging Plants (Blanket Variance)**

Co-owners may plant flowers or small shrubs in containers, such as tubs, pots, or hanging baskets provided that:

- The container does not obstruct front access in or out of the units.
- The planting is carefully maintained, with regular attention to watering, etc., and is not permitted to become unsightly.
- Any hanging plant in the rear of a unit is below the fence line, except for those hanging from rear canopies.
- Planters are not hooked over the top of a fence.
- Pots, trellises, or any other structures are not placed in any common plant beds

## **Hose Holders**

Hose holders should be unobtrusive, mounted behind plantings if possible, and anchored with a masonry anchor. Repairs to damage to the brick or mortar will be the homeowner's responsibility.

*(continued on page 10)*

## **Vines**

No vines or plants with vine-like qualities (Virginia Creeper, Boston Ivy, English Ivy, Euonymus, Wisteria, Climbing Hydrangea, or Trumpet Vines) will be allowed on building facades and fences.

## **Plant Bed Edging**

In general, there is to be no edging around the plant beds other than that provided by the Glen's landscape contractor. The contractor cuts the plant beds to delineate them from the lawn area and to prevent damage to flowers by mowers. The Board realizes that edging in the rear, side, and fronts of units may be required in some cases, such as when the co-owner wants to build up the plant bed with a better quality soil or when a retainer is needed on a sloping area. In these cases, the co-owner MUST obtain a variance and use the following edging materials:

- Red brick (without holes) of the same color & character as that of the Fairlington Glen buildings.
- 4" x 4" pressure treated landscaping timbers left in a natural state.
- Natural stone.

All edging must be maintained in good repair and must not interfere with lawn maintenance. Wire and plastic are not permitted.

## **Landscape Lights (Blanket Variance)**

Installation of low-intensity, ground level landscape lights within planting beds adjacent to a co-owner's unit is allowed under the following guidelines:

- Up to six low intensity lights, each not exceeding a height of 26 inches may be installed at least 18 inches apart from one another.
- Lighting fixtures must be unobtrusive as to color of finish and style.
- Lighting may not be directed or shine off the bed in which it is installed. In particular, care must be taken in arranging the angle of a light so as not to disturb neighbors.
- Lighting fixtures illuminating beds must be focused downward.
- Lighting installations are restricted to not more than 200 watts total with a maximum wattage per fixture of 50 watts.
- Colored lighting or any off-norm color is allowed only as part of seasonal holiday decorations.

## **Final Landscape Notes**

Changes to the size or shape of an existing front or side bed, or construction of a new bed, requires a variance. Installation of edging materials around an existing bed requires a variance. Installation of a watering system in an existing bed requires a variance. If you are not sure whether a variance is required for landscaping work, please speak with a member of the Landscape Committee, the Board, or the Variance Coordinator in advance of doing any work.

***The Landscape Committee is looking for new members. Interested residents (co-owners and renters) should contact the Board for more information.***

# Mosquito Season Is Here

With mosquito season (May 1 - October 31 in Northern Virginia) here, let's review some ways to enjoy our patios and other outdoor spaces while minimizing mosquitoes. There are many relatively easy ways to reduce mosquito populations. If we each participate, we can reduce their numbers.

The most important step is to eliminate potential mosquito breeding areas. They breed in any water that is still for just a few days. You can help by:

- Unclogging gutter extensions in the front plant beds of your units and within your patios.
- Covering, turning over, or moving indoors any equipment, containers, or toys that may collect water.
- Straightening sagging tarps or other covers to eliminate standing water.
- Filling in areas under outdoor faucets or air conditioning drains.
- Removing English Ivy (the dense nature of ivy allows it to hold in pooled water).
- Changing water regularly in bird baths in your patio
- Using mosquito dunks in bird baths or fountains (toxic to mosquito larvae, but not to birds).

It's also been suggested that we can take steps to reduce our exposure to mosquitoes by:

- Wearing long sleeves, pants, and socks when outdoors.
- Avoiding being outside during dawn and dusk when many mosquitoes are most active.
- Making sure door and window screens are intact to prevent mosquitoes from getting inside.
- Using an effective repellent, such as DEET, Picaridin, or oil of lemon eucalyptus. Follow all label directions.

If mosquitoes get inside your home, they may breed in containers as small as a pet's water dish or vase. Be sure to change your pet's water bowl often, and rather than having cut flowers in standing water think about potted plants instead.
