October 2018

Help Wanted For Fall Clean-up Day

Landscape Committee Chair Barbara Dean has set Saturday, October 13 for the Glen's Fall Clean-up Day, and you are invited to join the efforts. After all, it takes a village to have a clean village.

Volunteers will be needed to put in an hour or two that Saturday morning taking ivy off trees and picking up trash both inside and outside the perimeter fences on King Street and Quaker Lane. It may not sound like much, but it will definitely help make a big difference.

In the past, spring and fall clean-up days have attracted a variety of volunteers from singles to couples - and even kids. And from long-time residents to newbies. All are welcome and needed. Personally, I have enjoyed being on trash duty because you never know what you'll find. Plastic bottles, aluminum cans, cigarette butts, and candy wrappers are the norm. But we've also uncovered rotting pumpkins, a steering wheel, and more trash that certainly doesn't belong being dumped in the Glen. We wear gloves and even safety vests when patrolling these perimeter areas.

All volunteers should bring their own gardening gloves and/or tools. We will also have tools, trash bags, and those safety vests available from the maintenance office. And when all of our hard work is complete, there will be refreshments provided at the maintenance facility around noon.

We all have busy schedules, especially on fall weekends. But I hope you'll consider giving an hour or two of your time to this great community. Plan to meet at 9:00am at the entrance to our pool on Saturday, October 13. Please RSVP to glenlandscaping@gmail.com. Many thanks, and we look forward to seeing you for the Glen's Fall Clean-up Day.

Jay Yianilos, Editor

The *Glen Echo* is published monthly. Our editor is always looking for ideas or input. If you have something to put in the newsletter, please e-mail Jay Yianilos at jasonyianilos@yahoo.com.

The *Glen Echo* is published online each month on the Glen's website, at <http://www.fairlington.org/glennewsletters.htm>

To be notified by e-mail when the latest edition is published, with a link to the newsletter, give us your e-mail address by signing up for Glen Alerts via the Glen's website. Your e-mail address will be used only for official Glen business.

Glen's Annual Meeting Is November 7

Fairlington Glen's Annual Meeting will be Wednesday, November 7, 2018, at 7:00pm at the Fairlington Community Center, 3308 S. Stafford Street. All co-owners are encouraged to attend in order to discuss and approve a budget for Fiscal Year 2019 and to elect three directors to the Board. In addition, the minutes from the 2017 Annual Meeting will be up for approval.

A quorum consisting of more than 25% of ownership interests is necessary to conduct business at the Annual Meeting. Therefore, all co-owners are strongly urged to attend in person, to appoint proxy holders to represent their interests at the meeting, or to participate by electronic voting.

Please be on the lookout for our Annual Meeting Packet, which will arrive via the U.S. Postal Service. The packet has been mailed to every co-owner, and it contains voting information and documents pertinent to the meeting. Do not ignore or discard this information as your vote is important to the community.

The Annual Meeting agenda and the proposed monthly assessment schedule is posted on page 3 of this newsletter.

What Is A Quorum & Why Is It Important?

Co-owners are reminded to please vote in the upcoming Glen election.

A quorum is the minimum number of co-owners who must be at a meeting before business can be transacted. For example, at a monthly Board meeting there must be at least three of the five Board members present to conduct a meeting. And for our Annual Meeting, there must be a quorum consisting of more than 25% of ownership interests to conduct business.

Meetings that don't have a quorum must be adjourned and re-scheduled at a later date. This costs the association money and creates more work. And, achieving a quorum at a second meeting - if we couldn't get one the first time - will be even harder.

So, why bother to try again? Because the Board is legally obligated to conduct an Annual Meeting. It's an important part of conducting association business. During the Annual Meeting, new Board members are elected and the coming year's budget is presented to co-owners for approval. No quorum means no election and no budget. Business in the Glen will simply come to a halt.

That's why it's so important that you vote either electronically before the Annual Meeting, in person at the Annual Meeting, or by proxy.

Fairlington Glen Council of Co-Owners ANNUAL MEETING

**Fairlington Community Center - 3308 S. Stafford Street
Wednesday, November 7, 2018, 7:00pm.**

AGENDA

- Call to Order and Introduction of the Board
- Appointment of Parliamentarian
- Proof of Notice of Meeting
- Selection of Inspectors of the Election
- President's Report – Charlie Robbins
- 2019 Budget – Maynard Dixon
- Presentation of Board Candidates
- Vote on 2019 Budget, Candidates, and 2017 Annual Meeting Minutes
- Committee Reports (during vote counting)
- Old Business
- New Business
- Adjournment

PROPOSED MONTHLY ASSESSMENT SCHEDULE

(I = inside / E = end)

Unit Type	% Ownership	2018	2019
Arlington	.00379	\$508	\$522
Barcroft (I)	.00243	\$325	\$335
Barcroft (E)	.00250	\$335	\$344
Braddock (I)	.00195	\$261	\$268
Braddock (E)	.00202	\$271	\$278
Clarendon (I)	.00297	\$398	\$409
Clarendon (E)	.00304	\$407	\$419
Dominion	.00351	\$470	\$483
Edgewood (I)	.00263	\$352	\$362
Edgewood (E)	.00270	\$362	\$372

Volunteers Are Always Needed

Our community can only continue to be such a vibrant and lively place to live by having its residents volunteer to serve. Fresh eyes are always needed to help steer the direction of the Glen into the future. And at this time, volunteers are especially needed to re-establish a maintenance committee.

VOLUNTEER OPPORTUNITIES - Board

Board members serve three-year terms. The job requires a monthly formal Board meeting lasting two hours at the Fairlington Community Center. Between meetings, Board members interact with Glen residents, co-owners, and our property manager. Day-to-day details of our community are handled by Cardinal Management and our onsite staff. Board members must be co-owners and candidates should possess a community perspective and the energy necessary to get the job done. It may help to have some familiarity with Glen fiscal and policy matters, and it helps to have an open mind, a penchant for conflict resolution, and a willingness to take responsibility for decisions. Current and former Board members will tell you that serving on the Board can be one of the most rewarding ways you'll volunteer your time.

VOLUNTEER OPPORTUNITIES - Committees or Court Reps

Co-owners and renters may also consider serving on a committee, such as pool, maintenance, or landscape, OR as a court rep. Committees in the Glen are always looking for new volunteers. Volunteering doesn't take much time from your hectic schedule. Fairlington Glen is an excellent neighborhood with residents of all ages and backgrounds. Prior volunteers have assured that today we continue to live in a beautiful, well-maintained community. You've invested in the community, so why not take the next step and volunteer.

TOP 5 REASONS TO VOLUNTEER

1. Protect your self-interests. Protect your property values. Maintain the quality of life in your community.
2. Be sociable. Meet your neighbors, make friends, and exchange opinions.
3. Give back. Repay a little of what's been done for you.
4. Have fun. It is fun accomplishing good things with your neighbors.
5. Try some altruism. Improve society by helping others.

No Power? No Water? Who To Call

When problems occur, it's important to have these numbers handy so you know who to call because reporting such problems helps the utilities to locate the specific issue.

For electrical outages, contact **Dominion Energy Virginia at 866-366-4357** or online at <https://www.dominionenergy.com/outage-center/report-and-check-outages>.

For no water, low water pressure, street sewer backups, or water main breaks, contact **Arlington County Water & Sewer's emergency number at 703-228-6555**.

Save these numbers to your phone. You never know when you'll need them.

Court 8 Rep Needed / CRG To Meet

The next quarterly meeting of the Court Representatives Group (CRG) is set for Monday, October 22 at 7:00pm at the Fairlington Community Center. All court reps and alternates are encouraged to attend, as are those interested in becoming a court rep.

We are still in need of one volunteer court rep in Court 8. Residents of this court are asked to consider this call to action to serve your community. Your help is needed! Those interested may contact Carol Goodloe, the chair of the CRG, at cagoodloe@comcast.net.

Fairlington Glen's CRG serves as the primary communication link between co-owners/residents and the Board. The CRG serves as a forum for interchange and communication at the local court level and deals with tasks that are best performed on a court-by-court basis. The CRG is chaired by a co-owner and is comprised of a representative and/or alternate (co-owners or renters) from each of the 16 courts.

Among the CRG's functions:

- Welcome new residents to the court
- Maintain a contact list with email addresses for your court
- Transmit information from the Board to the court's residents and transmit suggestions from the court's residents to the Board
- Check for rules violations
- Inform residents of and remind them of Glen policies
- Monitor the physical upkeep of the court and report maintenance problems
- Notify the management agent of items requiring immediate action

Reminder - Tot Lot Closes At Dusk

Users of the Glen's tot lot shall adhere to good neighbor rules. Please note:

- Young children should be supervised and not left unattended.
- Playing at the tot lot ceases at dusk.
- The tot lot is located behind homes in Courts 9, 10, and 15. Therefore we ask parents and children using the playground to be mindful of the neighbors in terms of noise. And there is to be no music from any source.
- For the safety of everyone, gravel should remain in the tot lot.

Do NOT Flush Adult or Baby Wipes

No matter what, DO NOT FLUSH ANY WIPES!

The packages may say flushable, but adult wet wipes and baby wipes are NEVER to be flushed in Fairlington Glen. Instead, these items should be disposed of with regular household trash.

If you ask most plumbers, they will tell you that these wipes should never be flushed anywhere because they're made of material that doesn't seem to breakdown in the sewer system.

Our fragile sewer system here in Fairlington, that dates back to the 1940's, cannot handle these wipes either. Should these wipes get flushed, the low unit in your building row will suffer a sewer back up, and clean up will be at the co-owner's expense. Think of your neighbors. Think of our fragile pipes. Think twice - do NOT flush any wipes down the toilet.

The Glen's Handbook, which is posted on our website, provides a complete list of sewer-clogging items that may not be put into toilets or sinks. Please be sure to share this important information with your entire family, your guests, and babysitters.

Glen Listserve Needs You

The Fairlington Glen Yahoo Community Group serves as the Glen's listserv. This is our electronic bulletin board where neighbors share info about contractors and also post timely and important notices.

To sign up, go to <http://www.yahoo.com> and click "groups." In the search box, enter "Fairlington Glen," and this should bring up the Glen Yahoo Group. Simply click on the group name and it will send you directly to the group's home page. Then look for the "Join This Group" tab in the upper right corner, click it, and then enter your Yahoo ID or create one. Once you use or create an ID, a message will be sent to the moderator of the group in order to confirm membership.

The Glen group is only open to members of the Glen community. If for any reason you are unable to sign in or choose not to create a Yahoo ID, contact our moderator, Alison Trimble, by email at alisont@comcast.net.

Valuable Info Found On Website

If you haven't done so already, bookmark <http://www.fairlington.org/glenindex.htm>. Our site is where you'll find important announcements, minutes to Board meetings, past issues of the *Glen Echo*, links to important documents such as the Fairlington Glen Handbook & By-Laws, and much more.

Plus, if you scroll to the bottom of our home page, you can register for our Glen Alerts emails. The email alert system is used sparingly, but always delivers time-sensitive information to our co-owners and residents AND also is your link to receiving this monthly newsletter.

Celebrate Fairlington's History

As the Fairlington Citizens Association (FCA) and the Fairlington Historical Society prepare to celebrate Fairlington's 75th anniversary this month on October 20, the *Glen Echo* looks back at some of our history with the following "Introduction To Fairlington," which is taken from the Glen's Handbook:

As Washington DC's population grew during the beginning years of World War II the area faced a severe housing shortage. President Franklin D. Roosevelt directed the War Department to build housing for defense workers coming into the area. The department established the Defense Homes Corporation which built Fairlington (named for Fairfax and Arlington counties) between 1940 and 1943.

Though wartime resources were scarce, the government made Fairlington's construction a priority and builder Thompson-Starrett obtained quality materials. Construction began in 1942 and military and civilian families moved in beginning in May 1943. By 1945, when the project was completed, 3,400 homes were available in the largest permanent housing development in the country.

The Glen still attests to the outstanding design and quality materials of its original workmanship. While we face the need to upgrade or replace some of the original infrastructure such as roofs and sewers, we benefit from a 1943 map of the Glen prepared by Thompson-Starrett that provides the installation plan for storm sewers, sanitary sewers, and cold water lines.

The Defense Homes Corporation managed Fairlington until 1947 when it sold the property to two Texas businessmen. Their firm, Fairmac, operated Fairlington as a rental community until its conversion to condominiums in the 1970's. Starting on the south side, Fairmac converted the community into seven legal entities under the Virginia Condominium Act. Six of the condominiums lie on the southeast side of I-395 (Shirley Highway) with a single condominium community on the northwest side linked by a bridge across I-395.

Fairlington Villages (or North Fairlington) is a single association with 1703 units. On the southeast side of I-395, approximately the same number of units are divided into six associations—the Arbor, Commons, Glen, Green, Meadows, and Mews, varying in size from 169 to 367 units. Each association is governed by its own board of directors.

The Fairlington Citizens Association (FCA) is the civic association for all Fairlington communities, coordinating the interests of our communities on County issues such as maintenance and beautification of County property within Fairlington. This includes the streets, sidewalks and trees bordering those streets, and underground utilities on County property. It also works with other local civic associations on issues of common interest.

Fairlington was listed on the National Register of Historic Places in 1999, following listing on the Virginia Landmarks Register in 1998. The listings recognize the community's significance as an example of community planning and publicly financed housing. Its Colonial revival and Williamsburg architecture, as well as

(continued on page 8)

its size, make it an easily recognizable location when one says “I live in Fairlington.”

The historical designations impose no restrictions on our use of the property. Our condominium controls all modifications to the land and buildings.

Fairlington Glen consists of 352 townhouse and apartment units on over 24 acres in Arlington. Units are organized into 56 buildings in 16 courts, surrounding a central area with a maintenance facility, swimming pool, basketball court, tennis court, and tot lot (playground). Three additional tennis courts are at S. Stafford Street and S. 35th Street. The Glen is located in the most southeastern corner of Arlington County and borders the City of Alexandria on King Street and Quaker Lane.

For meetings, Fairlington Glen uses the Fairlington Community Center, a former elementary school at 3308 S. Stafford Street that was extensively renovated in 2007 and reopened in 2008. Just beyond the Community Center is Utah Field, a recreation area with a dog run. Across King Street and Quaker Lane are shopping areas. Shirlington lies on the other side of I-395, with its Arlington County branch library, restaurants, movie theaters, Signature Theatre, and a large number of stores, business buildings, and residential properties.

Fairlington Celebrates 75; Fairlington Glen Turns 43

On the night of October 28, 1975, the CBI Fairmac Corporation officially turned over the “keys” to our community at the Village IV Board Meeting. An election was held, and the first Board of Directors was elected by the Fairlington Glen Council of Co-owners. The following night, October 29, 1975, at the Board’s first organizational meeting, the co-owners elected to the Board chose their positions. The first Board consisted of the following folks:

Harold A. Hovey, President

John M. Tifford, Vice President

Katherine D. Clatanoff, Treasurer

H. Benner Hoeper, Secretary

From the Board minutes on October 29, 1975 - “The Board concurred with President Hovey’s recommendation that a newsletter be issued immediately to announce the Officers of the Board, to solicit suggestions regarding Board actions from co-owners, and to seek the interest of co-owners in serving on committees.”

Happy 43rd Birthday, Fairlington Glen!

A Fresh Coat of Paint Did the Trick

The chain link fence along the Glen's perimeter border with King Street was looking old and worn. However, the cost to replace it with the same or possibly upgrade to a wooden fence would have been too high to consider.

Therefore, on April 10, 2018, the Board approved a contract in the amount of \$5,860 with Williams Painting to paint the fence black. That work was completed last month, and what a difference it makes.

Before the fence could be painted, there was some landscape work that needed to be done such as trimming back the vegetation along portions of the fence.

Our chain link fence is still in great condition. Originally silver, it now looks much newer with its fresh coat of paint and will continue to separate our border with King Street for years to come.

Please Do Your Part To Keep Water Usage Down

The Glen's water bills rose from about 13% of operating costs in 2003 to about 24% in 2011. This is not because of an increase in water usage, but because of steep increases in Arlington County water and sewer rates because of the cost of new pollution control equipment at the treatment plant on Glebe Road. Such increases have now moderated and will have less of an impact on future assessment increases.

That said, let's all do our part to keep water usage down. There are many easy steps to reduce water usage, and here are just a few for your consideration.

Shop smart. When buying new washing machines for clothes or dishes, or new toilets, buy those with ENERGY STAR® ratings. These models use less water and save energy because you don't have to heat the extra water.

Be wise about when you wash. Run your dishwasher and washing machine only when they're filled to capacity. Both machines use a significant amount of water.

Little leaks mean big losses. Check your pipes and faucets for small leaks, which can waste significant amounts of water as well as the energy required to heat the water.

Garbage disposals gobble water. Use your disposal only when necessary and for small amounts of food. Our sewer system is fragile, and you will save on water and help our sewer system.

Start soaking. Fill a dishpan with water and let dishes sit to eliminate the process of rinsing dishes before they go in the dishwasher.

Don't treat your toilet as a trash receptacle. Paper, tissues, and other small items often end up being flushed rather than tossed. This uses more water and endangers our sewer lines as well. Use a wastebasket.

Save while you shave (or grow a beard!). Turn off the tap while you shave or brush your teeth.

A Reminder About Political Signs

Election Day is right around the corner - Tuesday, November 6, 2018.

This year, among the items on the ballot will be US Senate, US House of Representatives (8th District), Arlington County Board, Arlington County School Board, and referendum and bond questions.

Candidates of all parties running for office will use campaign signs to spread their messages and catch your eyes. And based on the items on this year's ballot, there may be a large number of signs.

But please note, in Fairlington Glen we have specific rules for the display of political signs, and we ask you to kindly pay strict attention to those rules. In the Glen, political signs are not permitted in the common areas; however, a single political sign per unit may be displayed in a window for 31 days before an election and must be removed within five days after the election. Arlington County prohibits political signs in the County property between the street and the sidewalk.

Important 2018 Election Day Information

Election Day is Tuesday, November 6. Polls will be open from 6:00am to 7:00pm in Virginia. Registered voters in the Glen are in precinct 012, so the polling place is the Fairlington Community Center, 3308 S. Stafford Street. Please remember to bring your photo ID to vote.

There may be lines when you check in, especially early in the morning and late in the afternoon. Please be patient and give yourself plenty of extra time. In fact, you may want to look at a sample ballot ahead of time, especially with regard to the referendum and bond questions. Go to <https://vote.arlingtonva.us/elections/>.

Remember that in Arlington County we vote a paper ballot. Once you mark your ballot, you'll feed it into a scanner that will tabulate your vote and take a picture of your ballot. So there's both an electronic copy and a paper copy to be used as a back up.

The deadline to update your address or register to vote for the November 6 election is Monday, October 15.

In-person absentee voting is underway through 5pm on Saturday, November 3. If you will be away from Arlington on Election Day or will be unable to go to the polls, then you can vote an absentee ballot. Request an absentee ballot AND find more details online at <https://vote.arlingtonva.us>.

County Vehicle, Real Estate Taxes Due

Just a reminder that Arlington County has two tax deadlines on October 5. Both the vehicle personal property tax and the second installment of the real estate tax are due to the Arlington County Treasurer's Office on Friday, October 5, 2018.

You may make payments online, by phone, or by mail (payments must be postmarked by 10/5 to avoid late fees or penalties). For more information, call Arlington County at 703-228-4000.

Daylight Saving Time To End Soon

Now that fall is here, chances are that you've taken notice that the days are getting shorter. Not only will we continue to lose a bit of daylight each day thru December 21, but soon it will be time to change our clocks.

Daylight Saving Time, which began on the second Sunday in March, ends on the first Sunday in November. This year the date is Sunday, November 4. You are reminded to set your clocks back one hour at 2:00am, which gives you an extra hour of sleep.

As we get ready to return to standard time next month, this is also a great time to check/replace the batteries in your smoke detectors.

Farmers Market Season Ending Next Month

The Fairlington Farmers Market will soon close for the winter. The last day of their fourth season will be Sunday, November 18. That gives you just seven more Sundays to shop the market for fresh produce, grass-fed meats, eggs, coffee, bread, pies, and other prepared foods. Remember the market's hours are 9:00am to 1:00pm at the Fairlington Community Center, 3308 S. Stafford Street. Parking is limited, so Glen residents are encouraged to walk to the market.

What's Wrong With This Picture?

Someone continues to place household trash next to the court sign at the entrance to Court 14, and we kindly ask you to stop this practice.

First, in Fairlington Glen trash is never to be placed outside the night before pick up. Doing so will attract rodents and raccoons.

Secondly, we have trash pick up six days a week in the Glen. The folks at Capitol Services of Virginia, our trash and recycling contractor, visit every court in the Glen on Monday thru Saturday mornings. Just make sure your bags are outside by 8am.

Thank you for your attention to this matter.

Soon We'll Say Goodbye to Arlington's Car Decals

Beginning next year, Arlington County vehicle owners/lessees will no longer need to display a County decal on their vehicles for the first time in more than 50 years.

The County Board voted unanimously on Tuesday, September 25 to end the requirement that owners/lessees of vehicles parked in Arlington use a sticker to prove they have paid personal property taxes. This follows other localities in Virginia that have eliminated their car decals.

The County first began requiring drivers to display a metal tag on license plates in 1949. Arlington moved to a decal system in 1967.

Arlington's 2019 car decal

The "motor vehicle license fee" of \$33 (essentially for the decal) will remain in effect under the Board's plan. This fee is responsible for nearly \$5 million per year in Arlington County revenue.

Beginning July 1, 2019, Arlington County will rely entirely on license plate readers to track whether drivers have paid their taxes or not.

No School? No Problem

Parents who are looking for something fun for their kids ages 5 to 11 on Arlington County Public Schools teacher workdays and parent/teacher conference days should consider Break Blasts. These are full days of recreation fun brought to you by Arlington County Parks and Recreations.

Here are some examples of upcoming "Kids In Action" and "Tiny Chefs" Break Blasts:

KIDS IN ACTION - Kids in grades K-5th will enjoy a variety of engaging activities including cooperative games, sports, nature fun, and creative arts. Participants will choose from structured recreational activities during extended hours. Participants must be registered for the event in advance and must bring a lunch and a snack.

These events are scheduled for October 8, October 26, and November 6 at the Carver Community Center at 1415 S. Queen Street in Arlington. Hours are 8am-3pm and extended hours are 3-6pm. Cost is \$37, and the extended hours sessions are \$12 additional. To register or for more information go to <http://registration.arlingtonva.us> or call 703-228-4747.

TINY CHEFS - Kids in grades K-5th will learn how to make some delicious and "spooktacular" treats on October 26 AND will make some favorite fall recipes on November 6. Participants must be preregistered.

Both events will be held at the Walter Reed Community Center at 2909 S. 16th Street in Arlington. Hours are 9am-3pm and extended hours are 3-6pm. Cost is \$89, and the extended hours sessions are \$30 additional. To register or for more information go to www.tinychefs.com or call 301-841-7395.
