New Volunteers Always Needed

This community can only continue to be such a vibrant and lively place to live by having its residents volunteer to serve. Fresh eyes are always needed to help steer the direction of the Glen into the future. As this year winds down, please resolve to be aware of the many volunteer opportunities here at home.

Board members must be co-owners and serve three-year terms. This requires a two-hour monthly formal Board meeting at the Fairlington Community Center. Between meetings, Board members interact with Glen residents, co-owners, our property manager, and our onsite manager. Day-to-day details of our community are handled by the property manager, the onsite manager, and the onsite staff. It may help to have some familiarity with Glen fiscal and policy matters, and it helps to have an open mind, a penchant for conflict resolution, and a willingness to take responsibility for decisions.

Co-owners and renters may also consider serving on a committee or as a court representative. The Glen is an excellent neighborhood with residents of all ages and backgrounds. Prior volunteers have assured that today we continue to live in a beautiful, well-maintained community. You're invested in the Glen, so take the next step to volunteer!

Top 5 Reasons to Volunteer

- 1. Protect your self-interests and property values. Maintain the quality of life in the community.**
- 2. Be sociable. Meet your neighbors, make friends, and exchange opinions.**
- 3. Give back. Repay a little of what's been done for you.**
- 4. Have fun! It is fun accomplishing good things with your neighbors.**
- 5. Try some altruism. Improve society by helping others.**

Latest News From The Board

The Fairlington Glen Board of Directors held their monthly meeting on Tuesday, November 10, 2020, online via Zoom. Here are some of the highlights.

APPROVED

Moved to ratify the decision to award the landscape contract to Professional Grounds, Inc. in the amount of \$86,478.84 for 2021 with an option to extend to years 2022 and 2023 in the amount of \$88,208.42 annually.

Moved to approve a pool management contract with Atlantic Pool Service, Inc. for 2021 - 2023. Our fees will be rising steeply from this year as shown in the following:

2020 - \$39,899 / 2021 - \$43,500 / 2022 - \$47,850 / 2023 - \$50,700

Atlantic has been an efficient operator, and the level of service will remain virtually the same; so Atlantic is probably correct in attributing its fee increases to pending increases in the Virginia minimum wage.

Moved to authorize the management agent to work with the tennis committee chair to solicit a bid for resurfacing of the single tennis court and repairing the basketball court sinkhole & resurfacing that court.

Moved to approve a contract with District Clean for temporary maintenance work effective immediately to support onsite staff while one staffer is on leave.

NOTE

Landscape chair Tina Collier noted that she has purchased a number of shrubs and trees to be planted in the Glen, but are temporarily being stored in the pool enclosure. She is working with the management agent and the onsite manager to find a bonded and licensed company to do the planting.

The next monthly Board meeting is scheduled on Tuesday, December 15, 2020, at 6:30pm. The Fairlington Community Center will remain closed as part of Arlington County's emergency response due to COVID-19, so the meeting will be held virtually via Zoom. Details to access the meeting will be announced as we get closer to the date.

Holiday Greetings

The holiday season is upon us, and the Fairlington Glen Board of Directors wishes you and yours a Merry Christmas, Happy Hanukkah, and a Happy New Year. May this holiday season be safe and joyous for you, your family, and your friends.

Glen Elects New Board for 2021

At Fairlington Glen's Annual Meeting on Thursday, November 12, 2020, a quorum (40% of the voting interest) was reached and the election results were announced.

Susan Hunchar was elected to the Board of Directors for a term of three years by a vote of 28.9% of the voting interest (87.1% of the votes cast).

Maynard Dixon was elected to the Board of Directors for a term of three years by a vote of 25.2% of the voting interest (75.8% of the votes cast).

In addition, the 2021 budget was approved by a vote of 36.7% of the voting interest (90% of the votes cast) and the minutes of the 2019 Annual Meeting were approved by a vote of 40% of the voting interest (100% of the votes cast).

Thank you to Bill Layer for his service and volunteerism to the community.

Also, this year the Association solicited feedback from the community as to whether or not lawn chairs should be allowed to remain in the grass areas in front of the units during the warmer months of the year. The majority of the co-owners who voted answered with NO. Therefore, the Board will not be moving forward with this endeavor.

Congratulations to the four winners of the Annual Meeting raffle sponsored by Cardinal Management Group, Inc. Oscar Ruiz, Jason Ford, Conway Miller, and Miranda "Joy" Bickelhaupt each received a \$25 gift card in the mail.

How to Pay Your Monthly Fee

Cardinal Management will send out the 2021 payment coupon books to co-owners who are not signed up for direct debit of their accounts. If you do not receive your coupon booklet by 12/20/20, please contact Cardinal at 703-569-5797. Co-owners who choose this method simply mail their coupon and check to Cardinal each month.

Co-owners can also choose to authorize Cardinal to directly debit their bank accounts for the payment of monthly fees by filling out the form on page 5 of this newsletter and mailing it to Cardinal at the address noted on the form with a voided check. This free automatic debit seems to be the easiest method for most in the Glen. As noted on the form, the direct debit authorization will remain in effect, and will be adjusted automatically by Cardinal each year to reflect changed fee levels, until you provide written notification of its termination.

Some co-owners may have automatic bill arrangements with their banks (without directly debiting their account by Cardinal). In this case, you should update these arrangements with your bank to reflect the new fee levels.

Cardinal also allows you to pay each month online through their website, although there are service charges involved with each transaction. For more information, please go to <http://www.cardinalmanagementgroup.com/make-payments>.

TRASH & RECYCLING

No trash service on Christmas or New Year's Day - Capitol Services of Virginia, our trash and recycling contractor, will be closed on both Christmas and New Year's Day. Please do NOT leave trash out for pick up on either of these mornings. Regular household trash service will resume as scheduled on Saturday, December 26 and Saturday, January 2.

There will be no changes this year to the weekly recycling schedule.

STAFF/MANAGEMENT HOURS

Both Cardinal Management Group and our maintenance staff (Nelson Ordoñez and María Castro) will be on a holiday schedule during Christmas and New Year's. Please make note of the following changes:

Thursday, December 24 - Early Closing at 12:30pm

Thursday, December 31 - Early Closing at 12:30pm

Friday, January 1 - OFF

Live Christmas Tree & Wreath Recycling

After the holidays, Capitol Services of Virginia will offer four days to collect/recycle live Christmas trees and wreaths - your ONLY chances to dispose of your live tree or wreath for recycling purposes.

Please remove all lights, decorations, tinsel, and the tree stand. Take your tree or wreath to the curb near the entrance to your court where recycling is normally collected. Pick ups will take place on the following four mornings:

Tuesday, January 5 & Thursday, January 7

Tuesday, January 12 & Thursday, January 14

If you choose not to recycle your live Christmas tree or wreath, you may put these items out with your regular household trash. In this case, trees and wreaths will be burned.

Thanks again for your attention to these important matters. Happy Holidays!

Glen Tennis Court Gets a Bench

Carol Goodloe (Court 10) was kind enough to purchase and donate a bench for the single tennis court in memory of her late husband, Dick Kennedy.

Dick was an original buyer of a unit in the Meadows in 1975, and Carol joined him after they married in 1981. They moved to the Glen in 1987 after their first son, Clark, was born. Hank, their second son, was born in 1989.

Avid tennis players, Dick and Carol gave the court lots of use over the years. Dick died in January of this year. As you can see in the picture on the right, the bench has a dedication plaque in memory of Dick.

Carol invites all Glen tennis players to enjoy the new bench.

Reminder: Turn Off Outside Water

With cold weather here, it is time to turn off the outside water faucets, remove your garden hoses, and open the outside spigots for the winter...in case you haven't done so already. Hoses should be brought inside for the winter.

In most units, the front water spigot shutoff is located above the water heater and the back water spigot shutoff is under the kitchen sink. However, in B Buildings the lower units' front and back water spigot shutoff is in the laundry room above the water heater.

Please take the time now to find and label your water spigot turnoffs so you'll always be prepared.

Fairlington Blood Drive is December 9 & 10

If you are healthy and eligible to donate blood, then you are invited to the Fairlington Friends of Children's National Hospital Blood Drive on Wednesday, December 9 and Thursday, December 10. This blood drive, which is sponsored by the Fairlington Citizens Association (FCA) and Fairlington Cares, will be held from 10:00am to 3:00pm each day at the Fairlington Community Center at 3308 S. Stafford Street.

Donations will be taken by appointment only, though. And spots are already limited. For more information, visit the FCA website at www.fca-fairlington.org.

It's very important that you keep your appointment to ensure they supply Children's National with the maximum amount of blood we can, given the limited number of spots due to COVID-19 precautions.

Glen Prepares for Winter

Winter doesn't officially begin until December 21, but preparations for wintry weather began in the early fall here in the Glen.

Our onsite staff has plenty of ice melt and sand on hand, which is stored in the maintenance shop. Ice melt products are used on sidewalks and walkways to residences. Sand alone will be used on our brick stoops from now on to prevent erosion to the structures. The snow blade has been attached to the tractor to help clear sidewalks as soon as the forecast calls for wintry weather. And our snow blower is ready for action.

In October the Board approved a proposal from NVM Contractors for snow plowing/ sanding services on an as-needed basis for our courtyard parking lots. NVM has been our contractor in years past, and they do terrific work clearing the Glen during snowstorms.

The association provides limited snow removal from parking areas and sidewalks. Contractors and onsite staff begin work as soon as is reasonably possible after significant snow accumulations. Keep in mind, though, the contractors and onsite staff do NOT live in the Glen. It has to be safe for them to travel here from their homes.

The Board encourages residents to contribute to snow removal in the areas around their units and parking lots AND to help elderly residents by shoveling snow from areas near their homes.

Holiday Decorating Reminder

The holiday season is underway, and therefore it's a good time to remind all co-owners and residents about outdoor decorations. Holiday, seasonal, and special occasion decorations are permitted on unit window sills, on doors, or in close proximity to the unit. However, all decorations are to be removed within a reasonable period of time after the event has occurred.

It's beginning to look a lot like Christmas, as evidenced by this holiday decoration display in Court 4. Neighbors from throughout Fairlington have been driving by each night to get a glimpse of these huge inflatables.

Glass Recycling in Arlington

With Capitol Services of Virginia, our trash and recycling contractor, no longer accepting glass for recycling purposes, Arlington County offers a number of solutions for its residents.

For glass jars and bottles plus mixed paper, cardboard, plastic containers, and metal cans, please visit:

1. The Trades Center Recycling Drop-Off Center - the closest location to Fairlington
2. Quincy Park Recycling Drop-Off Center

Drop glass recycling into the hole.

For just glass jars and bottles, recycle those items at these locations:

1. Aurora Hills Community Center / Branch Library
2. Lee Community Center
3. Madison Community Center (moved from Cherrydale on July 10, 2020)

Glass that is dropped off at these Arlington County sites is crushed in Fairfax County for recycling in landscaping and other projects around Northern Virginia and also sold for manufacturing new glass products.

If you choose not to recycle glass items, they may be placed in your household garbage bags.

For more information, visit <https://recycling.arlingtonva.us/recycling-drop-centers>.

Look for glass recycling sites like this.

Santa Claus is Coming to Fairlington

Thanks to Arlington County Fire Station 9, Santa will ride again this year in Fairlington to continue the annual tradition.

The route and the protocol for this year's event will be a little different than in the past due to COVID precautions, but you can still wave and cheer Santa and his crew of elves as they make their way through Fairlington on Saturday, December 12.

The crew will start in the Abingdon Elementary School parking lot at 3035 S. Abingdon Street in North Fairlington. The trucks will gather shortly before 2:00pm. *Please note the earlier starting time.* The current plan is for Santa to do a "walk and wave" around the parking lot to his young Fairlington fans who will be waving back from a distance. As a reminder, please wear a mask. No candy canes will be handed out.

The route will end at the Fairlington Community Center, 3308 S. Stafford Street, with another 15-minute "walk and wave" with Santa.

How to Protect Vehicles & Valuables

Arlington County Police have said that vehicle-related property crimes, such as motor vehicle theft, larcenies from auto, and vehicle tampering, are often crimes of opportunity. Thieves are looking for easy, low effort opportunities to steal from hardworking members of the public and targeting vehicles with unsecured doors and windows.

Several suspects, often riding in a stolen vehicle, drive through Arlington neighborhoods looking for crimes of opportunity. As the driver proceeds slowly down the street, several accomplices exit the vehicle and check door handles of vehicles parked in the area. The suspects enter vehicles, in most cases, that are found to be unlocked with the goal of stealing valuables and those vehicles with keys left inside. These incidents typically occur during overnight or early morning hours.

No matter where you live, follow these crime prevention tips to help reduce the likelihood for criminal activity. Never assume your home or neighborhood is immune from criminal activity as criminals will purposely seek out homes or neighborhoods that are believed to be easy targets.

- Be aware of your surroundings.
- Park in well-lit areas and always activate the exterior lights at your home.
- Close and lock all windows and doors when you park. Double click the lock button on the key fob to receive a confirmation beep/chirp or pull on the door handle to verify it's locked.
- Take ALL valuables out of your vehicle.
- Never leave your keys, key fobs, or valet keys in your vehicle. This includes keys to a secondary vehicle and/or house keys.
- Never leave the immediate area while your vehicle is running, even if for just a short time.
- Consider installing effective home surveillance cameras. Be mindful, though, that if a home surveillance system captures a larceny from auto in progress, they do not always provide the overwhelming evidence needed to prosecute a case.
- Participate in the 9:00pm Routine and encourage your family, friends, and neighbors to do so too.

Arlington County Police officers proactively patrol Arlington's neighborhoods to identify and prevent criminal activity. The department's efforts are enhanced by the active involvement of residents who report suspicious activity. These efforts by the public aid the police and help to make our neighborhoods a safer place to live and to work.

Residents observing suspicious activity should contact the Arlington County Police Department's non-emergency number at 703-558-2222. If you see a suspect in your vehicle, do not approach them and dial 9-1-1 immediately.

Help is Needed to Fill the Cruiser

More Arlington households are in a financial crisis this year than ever before, so please help your neighbors in need this holiday season by donating new, unwrapped toys during the Arlington County Police Department's sixth annual Fill the Cruiser Holiday Toy Drive.

This year, with families impacted by the COVID-19 pandemic, the need for donations may be greater than ever, and your generosity helps to ensure the holidays are bright for some of our most vulnerable community members - children in need.

Officers will collect new, unwrapped toys for children ages newborn to 17 at the following locations:

Tuesday, December 1 from 5:00 to 7:00pm at Our Lady of Lourdes Catholic Church - 830 23rd Street S.

Wednesday, December 2 from 5:00 to 7:00pm at Arlington Assembly of God - 4501 N. Pershing Drive

Upon arrival, stay in your vehicle until you reach the unloading areas. Officers will be on hand to remove donations from vehicles.

Due to COVID-19 considerations, they will only accept toys at these predetermined locations. Toys will be distributed by the police department to community organizations throughout the month.

Local Businesses Continue to Need Help & Support

As the COVID-19 pandemic continues, so does the need to help support our struggling local businesses. Maybe that means ordering take out from your favorite nearby restaurant or shopping in your favorite nearby store (or on their website).

These businesses were celebrated on Small Business Saturday (November 28, 2020), but the truth is they need our help every day. Thanks for doing whatever you can to help our local businesses through these tough times.

How to Be a Secret Santa in Arlington

You can make the holiday season a little happier for some of Arlington County's most vulnerable residents by taking part in the 2020 Secret Santa Program. County residents are being asked once again this year to donate gift cards from area stores to help COVID-impacted households, needy families, people with disabilities, seniors with low income, and children in foster care to buy gifts or food this holiday season.

Arlington households hardest hit by the pandemic will receive gift cards for food and other necessities.

Arlington has nearly 100 children in foster care, and most are teens. It's nearly impossible to get the right gift for a teenager, so gift cards are the best option.

For families struggling to put food on the table, having the money to purchase even modest holiday gifts is difficult. Plus, many older Arlingtonians and members of the community with disabilities who are without family and on a fixed income find it difficult to make ends meet. Your gifts will help to bring smiles to the faces of the vulnerable members of the community.

Gift cards will be distributed by the County's Department of Human Services to more than 1,000 needy individuals in the community. The cards should be of no more than \$25 in value, but Secret Santas may send multiple gift card donations. Cards from grocery stores, drug stores, clothing stores, and department stores are encouraged. All gifts should include the value of the card (if it's not already printed on the card).

This year, through a partnership with Volunteer Arlington, you may donate online via secure credit card payments here: <https://volunteer.leadercenter.org/civicrm/contribute/transact?reset=1&id=4>

Checks are also welcome - payable to Arlington County Treasurer/Secret Santa. The Department of Human Services will use your donation to purchase gift cards. Remember, all donations are tax deductible.

Make your donation by December 18 by sending gift cards/checks to:

Fairlington Architect's Map Reproduction

Perhaps you've noticed the sepia toned map of the Fairlington community hanging in the North Fairlington Community Center.

The original map was probably prepared c. 1943 by architect Kenneth Franzheim for the Defense Homes Corporation and subsequently revised for Fairmac, the firm that managed the post-World War II rental community from 1947 to 1972. The map was updated by CBI Fairmac, the firm that oversaw its conversion to condominiums in 1972-1978, and later revised by the Fairlington Historical Society (FHS) to better define the villages.

FHS is now making 36" x 24" reproductions on matte poster paper available for purchase for \$50 each, shipping included.

Go to www.fairlingtonhistoricalsociety.org and select "publications and tours." Download the Fairlington Architect's Map order form, print it, and mail your form and check, payable to FHS, to:
