May 2023

Getting Ready for Pool Season

Winter was warmer than usual, and spring has been up and down so far. But most Glen residents are thinking about summer at this point and the opening of the Glen Pool. The Pool Committee has been hard at work throughout the spring getting things ready for opening day, which is Saturday, May 27 at 10:00am.

The Pool Committee will be issuing the 2023 recreation passes and hand-delivering two passes to each of the Glen's 352 units the week of May 15. Please dispose of any passes from prior years as only the new 2023 passes will be accepted at the pool this year.

But wait...there's more good news. There will be a pool party to celebrate the start of the season on **Saturday, June 3 from 4:00 to 7:00pm** (*rain date will be June 4*). The Glen will provide hamburgers, hot dogs, rolls, and condiments. Residents attending are encouraged to bring a side dish, salad, chips, and/or dessert to share. Two volunteers will be needed to help with set up, grilling, and clean up. If you are interested, please email glenpool-pass@gmail.com.

We are expecting a full complement of lifeguards working at our pool this summer.

Updated pool rules, pool hours, pool party rules & info on how to reserve a party, the swimming pool permission form for unchaperoned children ages 10-12, and the liability release and indemnification form for private swim instruction can all be found on the Glen's website under the pool information tab.

Our pool contractor, Atlantic Pool Service, Inc., continues with its preparations to get the pool up and running following some offseason repairs.

Get your swimsuits, towels, and flip flops ready. Pool season is coming!

Jay Yianilos / Editor

The *Glen Echo* is published monthly. Our editor is always looking for ideas or input. Please email him at jasonyianilos@yahoo.com.

The *Glen Echo* is published online each month on the Glen website, at <https://www.fairlingtonglen.com>. To be notified by email when the latest edition is published, with a link to the newsletter, sign up for Glen Alerts via the Glen's website. Your email address will only be used for official Glen business.

Latest News From the Board

The Fairlington Glen Board of Directors held their monthly meeting on Tuesday, April 11, 2023. Here are some of the highlights.

APPROVED

Moved to approve the modified drawings by Restoration Engineering, Inc. (REI) for parking lot replacement in Courts 1 and 2.

Moved to establish a Security Committee to meet monthly to discuss matters of security in and around Fairlington Glen. The committee will advertise meetings on the website prior to holding them and will use the email fairlingtonglensecure@gmail.com to receive incoming emails to report crimes, but this is not in lieu of reporting crimes to the Arlington County Police Department or 9-1-1 in an emergency.

Moved to approve the REI Reserve Study proposal at a cost of \$17,000 subject to the following changes:

1. On page 3 of the proposal, 4.L.(1), change the second sentence to read: "In courts 5-16 meters are installed directly at each unit, and, consequently, the buried lines are utility-side lines that are maintained by Dominion."
2. On page 5 of the proposal, 7.L.(1), insert "or replaced" after "relined."
3. Add a new section concerning the plat as follows:
 - A) Add a simplified layer, for the non-technical user, that omits installation, repair, or replacement dates that can be readily identified in the tables.
 - B) Update the plat to show changes in parking lot design, such as enlargement of parking areas in the middle and the addition of handicapped ramps through curbs.

Moved to approve the revised swimming pool rules and the two new pool permission forms.

Moved to ratify the earlier email vote to approve a variance for the installation of a side egress window at 4276 35th Street S. (Court 15).

Without resolution, the Board informally agreed that the Glen's 2023 Annual Meeting will be held on Thursday, November 2, 2023, at 7:00 pm. Please mark this date on your calendar. Note: as in the prior three years, the meeting may be held online via Zoom.

NEXT MEETING

The next monthly Board meeting is scheduled on Tuesday, May 9, 2023, at 6:30pm. The Fairlington Community Center has reopened, but due to ongoing COVID-19 concerns, the meeting will be held virtually via Zoom. Details to access the meeting will be announced as we get closer to the date.

MEMORIAL DAY SCHEDULE

- *Cardinal Management Group offices will be closed on Monday, May 29 for Memorial Day.*
- *The Glen's Onsite Manager, Amy Steliga, and Onsite Staff, Nelson Ordoñez and María Castro, will be off.*
- *Trash, however, will be collected as usual.*

Pool Notes for 2023

As noted on this month's page 1 cover story, preparations have begun for the Glen Pool to open on Saturday, May 27 at 10:00am.

RULES - The Pool Committee has updated our pool rules and the Board has approved the update. The only change for this season is that no floats and inflatable devices will be allowed in the deep end of the pool. Only swim vests, jogging belts, and noodles (one per person) will be allowed.

FINS - Please note the FINS program has been approved to use our pool during the week of July 24. FINS is a swim program in Fairlington that runs for three weeks in July and is open to elementary-aged children. This community program teaches safe water play and lap protocol. FINS will hold practice at the Glen Pool July 24-27 from 4:00 to 6:00pm and hold a meet on July 28 from 6:00 to 7:00pm.

POOL PARTY - In case you missed this on page 1, there will be a Pool Party to celebrate the start of the season on Saturday, June 3 from 4:00 to 7:00pm (rain date is June 4). The Glen will provide hamburgers, hot dogs, rolls, and condiments. Residents attending are encouraged to bring a side dish, salad, chips, and/or dessert to share. Two volunteers will be needed to help with set up, grilling, and clean up. If you are interested, please email glenpoolpass@gmail.com.

HOURS - See page 4 of this newsletter for the 2023 Pool Schedule.

Common Elements Use Agreement

Before you plan an outdoor party or get ready to move, please remember to read up on Policy Resolution 14-01, which was adopted by the Board for the use of common elements. Specifically, this resolution deals with the temporary placement of items on the common elements including recreational items such as moon bounces or party tents (either the 10x10 variety or a rental unit). If you are planning a child's birthday party, a graduation party, or other gathering, then you'll want to consult the resolution and seek permission to use the common areas for those purposes.

In addition, several residents have sought permission to temporarily place a POD in their parking space while they've been in the process of moving. Again, you must have formal approval to do this as our parking lots are common areas. Simply fill out the Common Elements Use Agreement and submit it to the onsite manager for approval.

Information regarding Policy Resolution 14-01 and the Common Elements Use Agreement form is posted on our website at www.fairlingtonglen.com.

2023 Pool Schedule

May 27 – June 16

Memorial Day (May 29)	10:00 am – 8:00 pm
Monday – Friday	12:00 pm – 8:00 pm
Saturday - Sunday	10:00 am – 8:00 pm

June 17 – July 2

Monday – Thursday	10:00 am – 8:00 pm
Friday - Saturday	10:00 am – 9:00 pm
Sunday	10:00 am – 8:00 pm

July 3 – July 31

Monday – Thursday	10:00 am – 8:00 pm
Tuesday & Friday (lap swimming)	9:00 am – 10:00 am
Friday-Saturday	10:00 am – 9:00 pm
Sunday	10:00 am – 8:00 pm
FINS Practice (July 24-27)	4:00 pm - 6:00 pm
FINS Meet (July 28)	6:00 pm - 7:00 pm

August 1 - September 4

Monday – Sunday	10:00 am – 8:00 pm
Tuesday & Friday (lap swimming)	9:00 am – 10:00 am
Labor Day (September 4)	10:00 am – 8:00 pm

September 5 – September 17

Monday - Thursday	CLOSED
Friday	3:00 pm – 7:00 pm
Saturday – Sunday	10:00 am – 7:00 pm

Landscaping in Common Areas

You may be thinking about doing some outside planting or adding a hanging planter in front of your unit or on your patio. The Glen Handbook, updated in June 2022, provides all the guidance you'll need.

Modification of front and side beds (Blanket Variance) - Co-owners may plant annual or perennial plants (excluding vegetables, fruits, mint, bamboo, and ivy) within common original front or side beds, provided the borders of the bed are not extended;

however, the Board reserves the right to request the removal of any plants which are not maintained according to the landscape contractor's standards. In addition, if the ground immediately adjacent to the rear of a unit's fence has a significant slope, a ground cover may be planted in this area in order to reduce erosion so long as the ground cover remains clear of the fence.

Mulch must correspond in both color and texture to that used by the Glen's landscape contractor. Non-plant additions to front and side beds must be inconspicuous.

Other Plantings - Any owner wishing to plant flowers, trees, or shrubs other than those mentioned above inside or outside of existing beds must submit a variance request. Once a variance has been granted, it is the co-owner's responsibility to maintain the plantings and bed (e.g., pruning, weeding). If the variance is not properly maintained, the Board may revoke the variance and have the bed returned to its original state at the co-owner's expense. Common area trees are maintained by the Glen; please do not try to prune them yourself. Also, please help protect them by not allowing children to use them for recreation by climbing on them or attaching swings to them. See Chapter 10 for requesting a landscape variance.

Containers/Hanging Plants (Blanket Variance) - Co-owners may plant flowers or small shrubs in containers, such as tubs, pots, or hanging baskets, provided:

- The container does not obstruct front access in or out of the units.
- The planting is carefully maintained, with regular attention to watering, etc., and is not permitted to become unsightly.
- Any hanging plant in the rear of a unit is below the fence line, except for those hanging from rear canopies.
- Planters are not hooked over the top of the fence.
- Pots, trellises, or any other structures are not placed in any common plant beds.

Hose Holders - Hose holders should be unobtrusive, mounted behind plantings if possible, and anchored with a masonry anchor. Repairs for damage to the brick or mortar will be the homeowner's responsibility.

(continued on page 6)

Landscaping in Common Areas - Continued

Plant Bed Edging - In general, there is to be no edging around the plant beds other than that provided by the Glen's landscape contractor. The contractor cuts the plant beds to delineate them from the lawn area and to prevent damage to flowers by mowers. The Board realizes that edging in the rear, side, and fronts of units may be required in some cases such as when the co-owner wants to build up the plant bed with a better-quality soil or when a retainer is needed on a sloping area. In these cases, the co-owner must obtain a variance and use the following edging materials:

- Red brick (without holes) of the same color and character as that of the Fairlington Glen buildings;
- 4"x 4" pressure treated landscaping timbers left in a natural state, Natural stone;
- All edging must be maintained in good repair and must not interfere with lawn maintenance.

Red Reflectors - Residents may assume responsibility for maintaining front or side beds. They must agree to do the weeding, feeding, mulching, and pruning for all the plants (annuals, perennials, and shrubs) in the bed. The landscape contractor can be requested to prune tall shrubs or trees that are reachable only with a ladder. A "Plant Bed Waiver Form (Red Reflector)" must be completed each year and be on file by April 15. The responsible party will (a) install a red reflector in the bed, (b) weed, feed, water, prune, and deadhead the flower bed regularly, (c) not install any invasive plants including but not limited to English ivy, (d) comply with Glen policies in using any pesticides, and (e) mulch with materials similar to those used by the Glen contractor. The Glen Board of Directors reserves the right to assume responsibility for any improperly maintained beds.

Vines - No vines or plants with vine-like qualities (Virginia Creeper, Boston ivy, English ivy, Euonymus, Wisteria, Climbing Hydrangea, or Trumpet Vines) will be allowed on building facades and fences.

Landscape Lights (Blanket Variance) - Installation of low-intensity, ground level landscape lights within planting beds adjacent to a co-owner's unit is allowed under the following guidelines:

- Up to six (6) low intensity lights, each not exceeding a height of twenty-six inches (26") may be installed at least 18 inches (18") apart from one another.
- Lighting fixtures must be unobtrusive as to color of finish and style.
- Lighting may not be directed or shine off the bed in which it is installed. In particular, care must be taken in arranging the angle of a light so as not to disturb neighbors.
- Lighting fixtures illuminating beds must be focused downward.
- Lighting installations are restricted to not more than 200 watts total with a maximum wattage per fixture of 50 watts.
- Colored lighting or any off-norm color is allowed only as part of seasonal holiday decorations.

Glen's Clean Up Day is a Success

Thanks to about a dozen Glen residents, Clean Up Day on Saturday, April 22 was a success. And kudos to the Landscape Committee for organizing the event.

Glen volunteers joined Landscape Committee members and Board members in an effort to clean up our community on Earth Day. Participants focused on removing invasive ivy from Glen common area trees, predominantly behinds Courts 1-4, to improve overall tree health.

Arlington County supplied educational pamphlets that provide the most effective ivy removal method. Residents brought their yard gloves and hand tools, and more than six large bags of ivy were successfully and safely removed from Glen trees.

The left and center trees, on the Quaker Lane interior perimeter, after having invasive ivy removed.

Thanks to Mother Nature, the rain held off until after clean up efforts were completed.

If you couldn't make it this time, please don't worry. The Landscape Committee is already planning for a fall clean up day. Details will be coming in the early fall.

Overgrown Patios Need Your Attention

When was the last time you did some trimming and pruning of your patio trees, shrubs, and vines? Be honest, it may have been a long while ago. With spring here and our temps warming, this is the perfect time to get it done.

You definitely want to enjoy some time outside on your patio this spring and summer, but maybe you didn't realize that your patio is a bit overgrown. Your trees and shrubs may even be encroaching into your neighbors' patios. In this situation, you don't have to do a complete patio makeover (although you could), but a trimming is definitely needed.

Please keep in mind that you are responsible for properly disposing of any yard waste. Cut the tree branches into smaller pieces and place with other trimmings inside of a garbage bag. Bags can be left out with your regular household trash. Otherwise, you are responsible for the removal and disposal of larger tree branches and/or patio debris.

How about your patio fence? Is it covered in vines? Time for action. The replacement of our aging patio fences will be a huge expense and a nuisance for Glen residents. You can help to delay this nightmare by removing vines from your fences (inside and outside of the patio) and clearing dirt and debris out from under them to allow drainage. Excess dirt and plant debris can be spread under trees and bushes.

Co-owners and residents are responsible for keeping their patio areas clean. For more information about patios in the Glen, please see the article on the next page (page 8) of this newsletter.

Important Patio Reminders

Spring is here, and your backyard patio is calling your name. Whether grilling, entertaining, or relaxing outside, you'll find your own patio provides the perfect spot. And this is a great time to remind you about the do's and don'ts of patios in the Glen, according to our updated Handbook.

Co-owners and residents must keep the patio area clean, neat, orderly, and free from obstructions or accumulation of personal property other than patio furniture. The Glen assumes no liability for loss or damage to articles stored in or on the patios and is not responsible for damage to anything built, placed, or planted in the patio area except when such damage was caused by the gross negligence of Glen employees and/or contractors performing maintenance.

HOT TUBS: Hot tubs are not permitted in patios.

LANDSCAPING WITHIN PATIOS: Co-owners may landscape within their fenced enclosures provided it does not impact adjacent units and does not violate any Glen policy. Patio trees are the responsibility of the co-owner and should be kept trimmed so as not to impinge on roofs, gutters, or neighbors. If a new tree is planted, it shall be of a type that is appropriate to small areas. Some trees that are appropriate for patios include: Deciduous Magnolia, Star or Gem Magnolia, Eastern Redbud (in many color varieties), Serviceberry, Mountain Laurel (can be grown as a small tree), Crepe Myrtle, Red Spruce, Plum, River Birch, Kousa Dogwood, Bald Cypress, Styrax, and Japanese Maple.

PATIO STRUCTURES (Blanket Variance): No structures shall be placed or constructed inside the patios that exceed the height of patio fences, and structures may not be attached to patio fences. Table umbrellas, trees, and shrubs may exceed the fence height. Hanging plants must be below the fence line except those hanging from rear door canopies.

UNDERGROUND DRAINAGE: It is the responsibility of the co-owner or resident to monitor and keep underground drainage devices attached to the downspouts in the patio areas clear. Failure to do so may result in a back-up in your unit or a neighbor's, and any resulting damages are at the co-owner's or resident's expense.

VINES: Vines or plants may be placed on trellises within the patio area. Trellises are not to exceed fence height. Vines are not permitted on buildings or fences.

PATIO FENCES: Co-owners must observe the provisions of Policy Resolution No. 2, Repair/Replacement of Patio Fences (April 3, 1982) in the Appendix, which provides, among other things, that, "Anything built, placed or planted within a three-foot (3') radius of a post in the patio area shall be done at the owner's risk."

Please take the time to inspect your patio area and make sure you are in compliance. Go ahead and trim those trees, shrubs, and vines.

Interesting Story of Fairlington's Past

Shared by Dean Howarth, Fairlington Glen resident since 1996

Just about every Fairlington resident knows that we live in a designated historic district ripe with stories that connect to the federal government and national politics. Since our homes were built in the 1940's for new Pentagon employees, stories of in-

fluential residents from the realm of politics abound. As a history buff and longtime resident in Court 3 of the Glen, the stories of Fairlington have always been a point of interest and community pride. Recently, that history hit close to home...literally.

In a fit of boredom one evening, I busied myself with a seemingly mundane rabbit-hole internet search of all the people who lived at our address. A Google search yielded one odd "hit" that referenced the Congressional Record. That led to the name Mr. Joseph Volpe, who, it turns out, was a legal counsel to U.S. Army General Leslie Groves, the military leader of the famed Manhattan Project during WWII. As a high school physics teacher, that caught my eye for obvious reasons! The atomic age features in my class lectures each year, and in 1999 I even organized a student field trip to Los Alamos, NM (the site of the atomic "Secret City") and Trinity Site where the first atomic bomb was tested in 1945.

So, having someone related to the Manhattan Project living here was pretty neat. But it didn't stop there.

A bit more research unearthed the fact that Mr. Volpe also befriended and represented no other than J. Robert Oppenheimer, the lead scientist for the Atomic Bomb project. The ethereal genius initiated the Atomic Age with what is considered one of the greatest scientific achievements in history - a weapon that ended the war with Japan, yet opened a fearfully awesome and ethically complex chapter in world history. The Cold War, "Duck and cover," the Cuban Missile Crisis, McCarthyism, and present-day concerns about nuclear weapons were all products of Oppenheimer's legacy.

So, living in a house of someone who knew General Groves *AND* Robert Oppenheimer was even more neat. But it didn't stop there, either. The rabbit-hole then produced something even more surprising with regard to Volpe and Oppenheimer.

(continued on page 10)

After WWII, Oppenheimer strongly advocated for civilian and international oversight of atomic weapons as a way to ensure that these dreadfully lethal weapons would never be used again. He opposed the development of the Hydrogen Bomb (a thousand times more powerful than the A-Bomb) and feared that nuclear proliferation would be genocidal folly. However well-intentioned, his opposition to the “arms race” ran afoul of powerful figures in the U.S. Government, and Oppenheimer would eventually be a martyr to the Red Scare and McCarthyism. In the early 1950’s, Lawrence Strauss, the domineering and vindictive head of the Atomic Energy Commission, led a personal crusade against the physicist that led to partisan kangaroo-court hearings, accusations of treason, FBI wiretaps, and ultimately an unjustified revocation of Oppenheimer’s security clearance. Here is where my investigation (and mind) exploded!

Declassified FBI documents I found recounted an episode on September 1, 1953, where Strauss had J. Edgar Hoover’s agents “tail” Oppenheimer on one of his many visits to Washington to both defend his reputation, but also lobby against nuclear proliferation. Strauss essentially spied on an American hero. This FBI report said that Oppenheimer deviated from his itinerary on that Tuesday to visit his friend and personal lawyer, Joseph Volpe, at his home in Fairlington Village!

Whaaaa? Robert Oppenheimer was in our house! Mind blown!

This July, acclaimed filmmaker Christopher Nolan is releasing the feature film Oppenheimer based on the Pulitzer Prize winning book, American Prometheus. The film is expected to be a star-studded blockbuster that delves into the life, times, and tribulations one of the greatest (and perhaps most tragic) scientists in our history. (Who visited my house 70 years ago!!!) So, when you walk down to AMC Shirlington to see the new movie, know that a little bit of Fairlington history resonates in that amazing and world-changing story!

The editor wishes to thank Dean Howarth for his interesting contribution to this month’s newsletter.

Peace Officers Memorial Day to be Observed

The Arlington County Police Department (ACPD) and the Arlington County Sheriff's Office will gather to honor and pay tribute to the memory of the seven law enforcement officers of Arlington County who made the ultimate sacrifice in service to our community. This solemn ceremony is held each year ahead of National Police Week which recognizes those law enforcement officers throughout the United States who have lost their lives in the line of duty for the safety and protection of others and provides support to their survivors.

The public is invited to attend the observance of Peace Officers Memorial Day on Wednesday, May 10 beginning at 8:00am at the Arlington County Justice Center Plaza, located at 1425 N. Courthouse Road.

In 1962, President John F. Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. It is a dedicated time to honor and remember the officers who have given their lives in the line of duty, and recognize the sacrifices made by the families of those officers. National Police Week occurs each May and events will be held in the region from May 9 to 20, 2023.

The poster features a background image of a police officer in a white uniform and helmet. At the top left is a 'POLICE' badge and at the top right is a sheriff's office badge. The title 'ARLINGTON COUNTY PEACE OFFICERS MEMORIAL DAY CEREMONY' is prominently displayed in the center. Below the title are three circular inset images: a police officer holding a rifle, an American flag, and a person in a hard hat. The names of the honored officers are listed in the center, followed by a dedication to all who have made the ultimate sacrifice. The date, time, and location of the ceremony are provided at the bottom, along with the motto 'To serve and protect was their oath, to honor them is our duty.'

**ARLINGTON COUNTY
PEACE OFFICERS MEMORIAL DAY
CEREMONY**

Honoring
SPECIAL POLICE OFFICER LOUIS SHAW
DETECTIVE RUSSELL PETTIE
OFFICER ARTHUR CHOROVICH
OFFICER ISRAEL GONZALEZ
OFFICER GEORGE POMRANING, JR
OFFICER JOHN BUCKLEY
CORPORAL HARVEY SNOOK III

**and all who have made the ultimate sacrifice in
service to their communities.**

Wednesday, May 10, 2023 | 8:00 a.m.
Arlington County Justice Center
1425 N. Courthouse Rd.
Arlington, VA 22201

To serve and protect was their oath, to honor them is our duty.

Police Week is organized by the National Law Enforcement Officers Memorial Fund, Fraternal Order of Police/Fraternal Order of Police Auxiliary (FOP/FOPA) and the Concerns of Police Survivors (C.O.P.S.) and supported by law enforcement agencies across the country. The public can expect to see an increase in law enforcement activity in Arlington and the region as police agencies from around the country escort survivors to National Police Week events. An increased presence of police vehicles with activated emergency equipment around Ronald Reagan Washington National Airport and nearby hotels is anticipated.

Court Reps Group to Meet, Welcome New Members

Please help welcome two of the Glen's newest volunteers to the Court Representatives Group (CRG).

Suzanne Wible has taken over as the new Court Rep in Court 1. She replaces Allison Merhaut, who served Court 1 for quite sometime. Many thanks to Allison for her service to the Glen.

Hannah Anderson is the new Court Rep in Court 11, and she fills a vacancy that's existed for more than three years.

Contact information for both Suzanne and Hannah has been posted to the Glen's contact list, which is found on page 13 of this newsletter.

That leaves just one opening in the CRG for Court 3. Co-owners and residents in Court 3 are asked to step forward and serve their community.

Fairlington Glen's CRG serves as the primary communication link between co-owners/residents and the Board. The CRG serves as a forum for interchange and communication at the local court level and deals with tasks that are best performed on a court-by-court basis. The CRG is chaired by a co-owner and is comprised of a representative and/or alternate (co-owners or renters) from each of the 16 courts.

Think about this: you've invested in the community when you became a co-owner. Now it's time to take the next step and become a Glen volunteer. Your community needs you!

TOP REASONS TO VOLUNTEER

1. Protect your self-interests and property value AND maintain the quality of life in the Glen.
2. Be sociable. Meet your neighbors, make friends, and exchange opinions.
3. Give back. Repay a little of what's been done for you.
4. Have fun! It is fun accomplishing good things with your neighbors.
5. Try some altruism. Improve society by helping others.

NEXT CRG MEETING - *Mike Wells, the chair of the CRG, has called for a CRG meeting on Wednesday, May 31 at 6:30pm. All Court Reps and their alternates are invited to join the in-person meeting at the Glen Pool.*

Farmers Market Opens May 7

The 2023 season of the Fairlington Farmers Market will begin on Sunday, May 7. Get ready for fresh fruits, veggies, and more at the 9th season of our neighborhood farmers market.

The market will be open every Sunday until November 19 from 9:00am to 1:00pm on the back patio of the Fairlington Community Center. As you can imagine, parking comes at a premium. So, Fairlington residents are encouraged to walk to the market.
