Calling All Candidates for Service on Board

At the Glen's Annual Meeting, set for November 2, 2023, the Fairlington Glen Board of Directors will have two seats up for election: a seat with a three-year term that is currently being held by Glen Treasurer Maynard Dixon, who is planning to run again; and a seat with a three-year term that is currently held by Glen Secretary Susan Hunchar, who is not planning to run again. Anyone who wants to run for these seats is invited to step forward and answer the call to serve your community.

Board members serve three-year terms, and those terms are staggered so that in any given year one or two terms are completed. Candidates run for an open slot on the Board, not for a specific office. Immediately after the Annual Meeting, the new Board will hold an organizational meeting to determine its officers for 2024. The only prerequisite for Board service is that its members must be co-owners in good standing. It does help to have some familiarity with Glen fiscal and policy matters. It also helps to have an open mind, a penchant for conflict resolution, a willingness to take responsibility for decisions, and the passion and energy necessary to get the job done.

Service on the Glen Board is voluntary; however, it can be rewarding. You are helping to make lasting, positive changes to our community. You also learn much about how things work in your own unit and the Glen's common areas.

Effective service on the Glen Board can also be demanding, especially for the Board's major officers. Board members prepare for and attend a two-hour meeting each month. They usually spend, at a minimum, several hours a week on Glen matters, such as studying reports (from management, fellow Board members, and committee chairs) and answering emails. The Glen President and Treasurer are especially busy. An effective Board member must become familiar with the Glen's By-Laws, its Handbook, and its physical plant.

If you are interested in serving your community as a Board member, please contact the Glen President or any other Board member. You must declare your intent to run by completing a one-page candidate profile and delivering or e-mailing it to Board Secretary Susan Hunchar no later than Tuesday, September 5, 2023. You will also have an opportunity to address the community at the annual Community Forum, to be held online on Thursday, September 7, 2023. Volunteers are the lifeblood of any community, and now more than ever your community needs you!

LAP SWIM HOURS - A Fairlington Glen tradition continues this summer at the pool. Tuesday and Friday mornings from July 4 to September 1 will be reserved for lap swimmers only during the hours from 9:00 to 10:00am. This is always a favorite of those who like to do some early-morning lap lane swimming either before work or before getting the day started. The pool is only open for lap swimmers during this hour. Otherwise, the pool opens at 10:00am.

IDENTIFICATION - You MUST bring your unit's recreation pass to the pool each time you wish to use the pool. All residents must sign in on the daily log with their name, address, time of entry, number of residents, and number of guests. Each unit was provided with two 2023 recreation passes in May.

GENERAL POOL NOTES - You may bring your own food or snacks with you to the pool; however, food may only be consumed in the two designated areas within the pool enclosure and must be at least ten feet from the swimming pool edge.

Non-alcoholic beverages in non-breakable containers are permitted in the pool area, but not in the pool. All trash must be deposited in receptacles provided.

Smoking is NOT permitted at the pool facility, in the restrooms, or within 25 feet of the pool entrance.

No pets will be allowed in or on the pool premises.

As a courtesy to others, if you are playing with noodles and/or kick boards in the pool then please take them out of the water with you as you get out. These items should be returned to their bins so that others can enjoy them too.

Should you have any questions or concerns regarding the pool, please email the committee at glenpoolpass@gmail.com.

Community Forum Set for September 7

The Glen's annual Community Forum will be held online this year, as it was last year. Please join us online via Zoom on Thursday, September 7, 2023, at 7:30pm. The log-in link for this Zoom meeting will be sent to co-owners and residents via the Glen Alert email system.

At the forum, the Board will discuss its proposed 2024 budget and answer questions about it. The forum is also a prime opportunity to hear from and talk with co-owners who are running for the Board in the fall election.

The proposed 2024 budget will be presented in a special August edition of the newsletter after the Glen Treasurer receives needed information from the auditor.

Why Professional Management is Needed

There's a lot more to managing a community association effectively than you may actually realize. It's not just property management; it's also about governance - enforcing rules, conducting elections, and more.

Your home and your ownership interest in the common area elements of the Glen represents a huge asset - possibly your largest asset. Doesn't it make sense to have a knowledgeable, trained professional community association manager watching out for your interests? Of course it does. Consider all that professional managers have to offer:

- Professional managers must be aware of many laws and regulations - real estate, corporate, and labor laws; federal laws and state statutes and government regulations.
- Professional managers must have a working knowledge of finances, accounting, budget preparation, taxes, and insurance.
- Professional managers must have strong personnel management skills that include hiring and supervising contractors and staff.
- Professional managers must work and communicate effectively with residents, resolve disputes, and facilitate communications.
- Professional managers must have a keen understanding of property maintenance that includes landscaping repairs & replacements, facilities upkeep, and mechanical maintenance.
- Professional managers coach and mentor the Board members who govern the association. They help conduct meetings, supervise elections, and ensure compliance with governing documents. Governance is one key area where property management and community management differ.

The Glen is proud to have a solid working relationship with Cardinal Management Group, which employs both our property manager and onsite manager.

CARDINAL MANAGEMENT GROUP, INC

Fairlington Glen's Onsite Staff Duties

Candace Lewis and Amy Steliga, the Glen's property manager and onsite manager respectively with Cardinal Management Group, often get questions from Glen co-owners and residents regarding the duties of the Glen's two employees, Nelson Ordoñez and María Castro. This article will outline some of their day-to-day tasks.

Onsite staff hours are Monday thru Friday from 6:30am to 3:00pm, with 30 minutes for lunch. Sometimes after-hours emergency duty is necessary. Each employee is experienced in general maintenance including carpentry, electrical, plumbing, drywall, painting, general brickwork, and roofing. They are supervised by the property and onsite managers, but they are not employees of Cardinal Management. Rather, each is employed by the Glen.

Our dedicated onsite staff, Nelson & María

General duties include:

- Preventative maintenance - gutter cleaning, lateral cleanouts of sewer lines as needed, painting of the 16 court driveways every two years, cleaning & upkeep of the B Building common area hallways, and cleaning & upkeep of the common area grounds including trash removal.
- Routine/call-in maintenance - repair & maintain carriage lights in all 16 courts, repairing/replacing of wood fences, repairing/replacing of exterior wood surfaces/gutters, repairing/replacing shutters, and removing snow (including placing ice melt/sand as needed) on courtyard sidewalks, Arlington County sidewalks, and sidewalks around the pool.
- Inspect the property continuously and report to the Board of Directors on possible problems that need to be addressed proactively. Advise the Board when outside contractors may be needed.
- Respond quickly to residents' requests/complaints regarding maintenance. Communicate with the management agents as needed.
- Be available for after-hours emergencies such as snowstorms and sewer line backups.

The following areas are contracted out and not handled by Nelson & María: swimming pool facility, household trash removal, cycled exterior painting, landscaping, sidewalk repairs, long-term repairs (roofs, parking lots, tennis courts, etc.), snow removal & sanding of the court parking lots, and sewer replacement.

Trash Talk: Glen Do's & Don'ts

We work with an amazing contractor, Capitol Services of Virginia, for trash and recycling services in the Glen. Their crews come six days a week (Monday-Saturday) to pick up our bagged household garbage, once a week to collect recycling, and once a month for bulk trash pick up. It is a costly part of our operating budget, but trash collection of this magnitude is much-needed in Fairlington.

Please remember, in Fairlington Glen garbage is NOT allowed to be placed out the night before or the day before pick up. This includes boxes and bagged patio debris. Putting trash out the night before encourages rodents and other animals, plus it just makes our beautiful community look bad. Neighboring villages may have different rules regarding trash, but please abide by the Glen's rule, which is no trash of any kind out the day/night before pick up. Long-time residents are encouraged to remind our newest residents of this policy.

Please refrain from putting bagged household garbage into the community trash cans found alongside the Glen's sidewalks. Those canisters are to be used mainly for bagged dog poop disposal.

Many times throughout the year birds and squirrels will feast on our bagged trash in the mornings prior to pick up. They'll punch holes in the bags in search of food and often leave behind a trail of debris strewn in the grass or on the sidewalks. To prevent this mess from happening, please consider using two plastic bags OR a brown bag surrounded by a plastic bag. You may also try putting a couple of moth balls in your trash bags to discourage birds and animals OR put a small amount of bleach on a paper towel and place the towel inside your bag.

For Recycling, Please Empty & Rinse

When it comes to recycling, Capitol Services of Virginia kindly asks that you:

1. Empty and rinse all food and liquids from plastic, aluminum, and metals cans; however, it is not necessary to remove the label.
2. Don't scrub your recycling donations clean, but please take the time to empty their contents before you toss them into the bin. Food contamination can cause an entire batch of recyclables to be rejected.
3. Please do not recycle pizza boxes because they contain grease and food residue.
4. Remember that Styrofoam is NOT recyclable.

Flag Displays in the Glen

The Glen's Handbook (May 2023) provides for a blanket variance for flag display on page 29 as follows: "The U.S. national flag is normally the only flag that may be affixed to the unit. Flags of other nations may be displayed on their national holidays or other special occasions. Flags should be of a reasonable size and U.S. flag protocol shall be observed. Flags shall not be worn out or tattered. When no longer fit for display, flags must be removed."

The Glen proudly displays the Stars & Stripes at the pool.

**guidelines for displaying
OLD GLORY**

-  Display the flag in public from sunrise to sunset.
-  Flag may be displayed at all times if it's illuminated during darkness.
-  The flag should not be subject to weather damage.
-  The flag should be displayed often, especially on national and state holidays.

The Glen Remembers

This month, the Glen mourns the loss of three long-time volunteers.

Willard W. Smith, Jr. - Will served an amazing 46 years as chair of the Glen's Tennis Committee. His service began when the Glen was established in 1975 and continued until he retired in 2021. An avid tennis player, he oversaw the care and use of the Glen's four courts.

Will passed away on June 23.

Will graduated with a B.S. in Philosophy and History with a minor in Economics from Georgetown University. His graduate degrees were in economics with concentrations in industrial organization, econometrics, and monetary/fiscal policy. He worked in government and for two private consulting firms, and his last employer was the Environmental Protection Agency (EPA).

As a kid, Will actually lived in Fairlington with his parents and attended first grade in what is now the Fairlington Community Center. He and his wife have been original co-owners in Court 9 of the Glen since 1975.

He is survived by the love of his life - his wife Regina, sons (Quinn and Rory), daughter-in-law (Stephanie), and grandchildren (Sienna, Wyatt, and Ryan).

Jim passed away on May 8.

James M. Hewitt - Jim could build or remodel anything and enjoyed being a carpenter contractor for over 40 years. He volunteered for many years on the Glen's old Buildings & Grounds Committee.

He served in the U.S. Army as Staff Sgt. 1st Calvary Division (Airmobile) in Vietnam from December 1967 to December 1968. He was awarded the Army Commendation Medal with "V" Device, Bronze Star Medal, National Defense Service Medal, Vietnam Campaign Medal, and Vietnam Service Medal.

Jim's family moved from Maryland to Fairlington in 1958, renting until he was married to Catherine (Kay) in 1967. For several years Jim worked on the Fairlington units while they were being converted from apartments to condominiums. He and Kay rented in North Fairlington until buying their Clarendon in Court 1 in 1987.

He is survived by his wife, Kay; sons (James & Joshua); and grandchildren (Ella & Ethan).

The Glen Remembers - Continued

Ronald E. Patterson - Although Ron lived in Fairlington Mews, he contributed to the Glen by serving as our webmaster for 20 years. In fact, he designed, launched, and managed the original websites for all of South Fairlington starting in 1999. He retired as Glen Webmaster in 2019

Ron served on the committee which helped to secure historic designation for Fairlington from the Virginia Landmark Register in 1998 and the National Register of Historic Places (by the U.S. Department of the Interior) in 1999. He was the first president of the Fairlington Historical Society and founded the Fairlington Home & Garden Tour. He also served as the Mews Treasurer and co-editor of the Mews newsletter.

He was a graduate of Emory & Henry College (B.A. history) and received a graduate degree from George Washington University as a Scottish Rite fellow (government). He had a lifelong career in the Federal Government that included the National Archives, the U.S. Treasury Department, Internal Revenue Service, and the Office of Personnel Management.

Surviving is his partner/spouse of 50 years, Thomas Corbin, and brothers (Dr. James L. Patterson, Jr. & Rev. Richard Patterson).

Ron passed away on May 2.

Repairs Underway on Fairlington's Bridge Over 395

The 53-year-old S. Abingdon Street bridge over I-395 is pictured last winter. Structural repairs began in June. Photo courtesy of VDOT.

Work is underway to rehabilitate the S. Abingdon Street bridge over I-395 to improve driver, bicyclist and pedestrian safety and extend the overall life of the bridge, according to the Virginia Department of Transportation (VDOT). The bridge, located between the King Street (Route 7, Exit 5) and Shirlington Circle (Exit 6) interchanges, was built in 1970 and later rehabilitated in 1994. Many in Fairlington call this the bridge that connects North and South Fairlington.

The project includes resurfacing the concrete bridge deck and closing deck joints; restriping the bridge bicycle lanes; repairing concrete piers and abutments; adding protective concrete barriers adjacent to piers; extending and adding concrete in-fill walls between piers; and replacing bearings and reconstructing bearing seats. The existing sidewalks on both sides of the bridge will remain.

During construction, daytime lane closures may be scheduled along the I-395 general purpose lanes, the 395 Express Lanes and South Abingdon Street; overnight lane closures may also be scheduled on I-395 and the 395 Express Lanes. When one sidewalk along the bridge is closed, pedestrians will be detoured to the sidewalk on the opposite side.

The \$8.4 million South Abingdon Street over I-395 Bridge Rehabilitation Project is financed with federal and state funding, including State of Good Repair funds used for bridges. Work is expected to be complete on the 53-year-old bridge in late 2024.

Drivers, bicyclists and pedestrians are reminded to use caution when traveling in active work zones. Be alert to new traffic patterns and limit distractions.
